Commentaries on the Constitution of the Commonwealth of Australia

Attention is particularly drawn to this definition of Commonwealth, which is clear and unchallengeable, according to the express wording of the Preamble and the first six clauses of the Imperial Act.

Political Parties don't consolidate the Preamble and the first six clauses of the Primary Law Commonwealth of Australia Constitution Act 1901. This removes all the living.

Acts Interpretation Act 1973 (Cth) Act No.79 = Changed Constitutional and official definitions, created an abstract “Australia” “Commonwealth” means their “Commonwealth of Australia” as the abstract sovereign, independent and federal nation under “The Constitution” or “Australian Constitution” Not consolidating the Preamble and the first 6 Clauses.

Australian Citizenship Act 1973 Cth Act No.99 = This Act created abstract entities that swore their Oath to the abstract Queen of Australia within the status of the Commonwealth of Australia as a sovereign, independent and federal nation.
